

# Wawasee Navigation

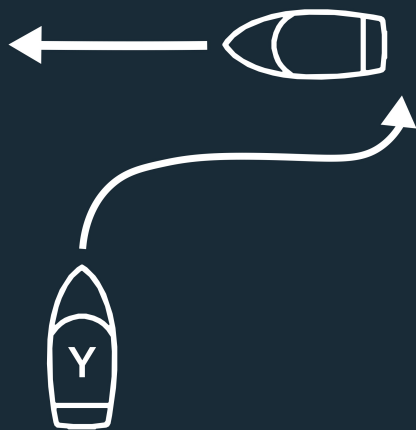

Safely navigate **Lake Wawasee** using right-of-way basics required by law.

Powerboat scenarios = The 'Y' boat Yields.  
Sailboat scenario = Powerboats Yield.

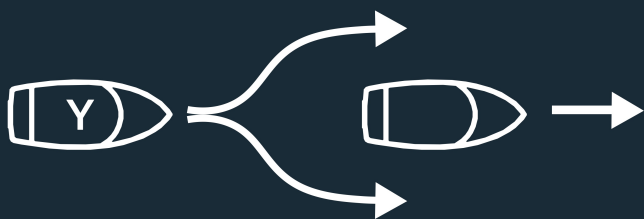

## HEAD-ON

Both steer right, always.  
Proximity to shore doesn't matter.

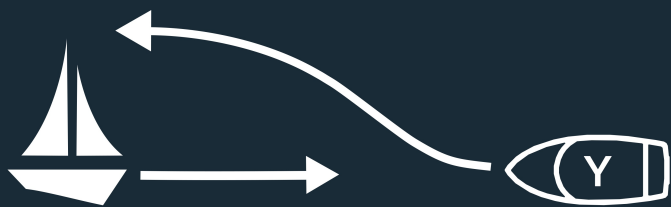

## CROSSING

Boat on your right?  
You're the Y boat – you pass behind.  
Boat on your left?  
Hold course.

## OVERTAKING

Behind = give space.  
Pass wide. Don't cut in.

## SAILBOATS

Power *always* yields to boats under sail.  
Pass wide. Many skippers are kids.
